**SERVICES TO EKITI STATE ENTERPRISE**  
**BROADBAND NETWORK INFRASTRUCTURE**

Ekiti State Broadband Network Infrastructure requires a robust internet connection to facilitate various government activities such as data transfer, video conferencing, application services and accessing cloud-based services. The State is therefore desirous of a bandwidth subscription services that offer high reliability, low latency and sufficient capacity to meet our current and future needs.

The Bandwidth subscription services required is 700Mbps Upload and Download, with room for increase capacity and scalability. The Network Infrastructure required to deliver the bandwidth services must be Fiber Optic Cable Technology and Microwave technology as backup feeder lease line. Adequate security measures to be implemented to safeguard the network from cyber threats, including firewalls, protocols encryption and intrusion detection systems. Availability of technical support 24/7 and helpdesk support services.

The Bureau of Information and Communication Technology, now invites eligible consulting firms to indicate their interest in providing the Bandwidth Subscription Services as indicated above. Interested consultants must provide the following information indicating that they are qualified to perform the services:

1. Consultants' Registration Certificate (brochures and company profile).
2. Copy of certificate of incorporation including CAC 02 and CAC 07 containing particulars of Board of Directors, Memorandum and Article of Association for the Corporate body (Limited Liability Company) / Registration of Business Enterprise
3. Description of similar assignments with evidence of contracts awarded in the past (letter of award, contract agreement and/or completion certificate).
4. Brief description of experience in similar conditions.
5. Evidence of availability of appropriate skills among staff
6. Evidence of Registration with BPP
7. Evidence of payment of Business premises with Ekiti State Ministry of Industries, Trade and Investment(MITI) or other appropriate MDA
8. Audited account for the last three years
9. Company Income Tax Clearance
10. Tax clearance of Directors for the last 3 years paid to Government of Ekiti State
11. Development levy for the last 3 years paid to Government of Ekiti State
